

## BOEING 747 FLIGHT ADVENTURE

### PILOT NOTES – ISSUE 126

<https://pcpilot.keypublishing.com>

World aviation recently celebrated the 50<sup>th</sup> anniversary of the maiden flight of the ubiquitous Boeing 747 “Jumbo Jet”. The B747 and its subsequent variants are still seen in regular commercial services across the globe today. In this Issue’s Flight Adventure we fly three special routes while exploring some interesting facts and figures relating to the “Queen of the Skies” .....
